mYak KNITTING RETREAT IN ITALY

The magical **Murano Island**, famous for its glass artists has become the fixed location for our spring Knitting Retreat.

This island is really special for us and we want to share with you all the beauty it can offer. Walking around the small alleys of this island you can feel the perfume of art and traditions in tranquility.

To make it even more special, we decide to host (for the second time) one of the most beloved and **talented designers in our community: Isabell Kraemer.** She will design two exclusive patterns for the retreat that we can't wait to reveal you.
