## mYak KNITTING RETREAT IN ITALY

**For our fall retreat we have chosen the queen of cables Thea Colman.**

We want to make our retreats as wonderful as possible for both your souls and your tummy so this year we will welcome you to a true paradise for gourmands: the Langhe Region.

We'll see sheep cheese production done in the old-fashioned way, do the tasting of Barolo – one of the best wines in the world and you will have the opportunity to enjoy some truffles. It will be a gastronomic experience discovering the flavors of raw milk cheese and in Borgomale we will meet Silvio Pistone and his sheeps.

**Thea will teach two amazing workshops:  
Playing with Cables and Neckline Tips and Tweaks.**
